General Consent/Agreement to Outpatient Services

This form applies to all Anne Arundel Dermatology practice sites. This form must be completed by all new patients and then, at least annually or when the patient's insurance changes.

1. **CONSENT TO TREATMENT:** I consent to receive medical and/or cosmetic health care services provided by Anne Arundel Dermatology (AADerm") entities. I understand that such services may include but are not limited to examination and treatment of skin disorders, performing cryosurgery, shave biopsies, punch biopsies or other minimally invasive testing on lesions, and sending specimens to a pathology or other lab for diagnosis. I authorize the examination, use, storage and disposal of all tissue, fluids, or specimens removed from my body. I acknowledge that no warranty or guarantee has been made to me as to result or cure. I understand that I could be tested for HIV, and have the right to opt out. I understand that my consent will be requested for HIV and other testing in case of an unintended exposure of a healthcare worker.

2. **PAYMENT FOR SERVICES**: I understand that AADerm may bill my health plan for the care I receive. I agree that payments from my health plan may go directly to Anne Arundel Dermatology . If I should receive the payments, I understand that I will be responsible for paying AADerm. I understand that I must pay any co-payment or other part of the bill that my health plan says I must pay. I know that I may need to pay this before I am treated. I understand and agree that if my plan does not pay the hospital or doctor, I will have to do so. I understand that AADerm will hold me responsible in any one of the following situations

    a. When I choose to have a service that my health plan covers but I do not obtain the required referral or authorization from my health plan.
    b. When I choose not to use my health plan and agree to pay for services myself. (Use Do Not Bill Insurance Form).
    c. When my health plan does not participate with AADerm for the services I want or need and I agree to pay for my care myself.
    d. When I receive services that are not covered under my health plan including cosmetic services.

    If my health plan is subject to ERISA (the Employee Retirement Income Security Act under U.S. law), I agree to have AADerm act on my behalf to obtain my benefits when AADerm asks to do so. I also agree that AADerm can appeal for me if the health plan says it will not pay for my care. I understand that I must comply with the policies and procedures set by my employee benefit plan.

    I understand if I do not show up for a scheduled visit and do not notify the office, I will pay a NO SHOW fee of $50.00. If I cancel my appointment in advance or on the day I am scheduled, my appointment will be rescheduled without a fee. If I repeatedly cancel, a cancellation fee may be charged.

3. **CONSENT TO PHOTOGRAPH:** I understand photographs, videotapes, digital and/or other images may be made/recorded for identification, treatment and payment purposes. I will specifically authorize in writing any other use or disclosure of my image or recording.

4. **ELECTRONIC PRESCRIBING**: I authorize SureScripts, an electronic prescribing network, to release my medication refill history to AADerm for the purpose of continued treatment.

5. **MY PERSONAL BELONGINGS:** I understand that I am responsible for my personal belongings and valuables.

6. **RELEASE OF INFORMATION:** I authorize AADerm practice site(s) to release healthcare information for purposes of treatment, payment, or healthcare operations. Healthcare information from or regarding prior encounter(s) at other AADerm practice locations may be made available to subsequent AADerm-affiliated sites to coordinate care. Healthcare information may be released to any person or entity liable for payment on the Patient's behalf in order to verify coverage or payment questions, or for any other purpose related to benefit payment. Healthcare information may also be released to my employer's designee when the services delivered are related to a claim under worker's compensation.
    If I am covered by Medicare or Medicaid, I authorize the release of healthcare information to the Social Security Administration or its intermediaries or carriers for payment of a Medicare claim or to the appropriate state agency for payment of a Medicaid claim. This information may include, without limitation, history and physical, laboratory reports, operative reports, physician progress notes, nurse's notes, and consultations.

Federal and state laws may permit this medical practice to participate in organizations with other healthcare providers, insurers, and/or other health care industry participants and their subcontractors in order for these individuals and entities to share my health information with one another to accomplish goals that may include but not be limited to: improving the accuracy and increasing the availability of my health records; decreasing the time needed to access my information; aggregating and comparing my information for quality improvement purposes; and such other purposes as may be permitted by law. I understand that this facility may be a member of one or more such organizations. This consent specifically includes information concerning psychological conditions, psychiatric conditions, intellectual disability conditions, genetic information, chemical dependency conditions and/or infectious diseases including, but not limited to, blood borne diseases, such as HIV and AIDS.
