

Enhance Your Care, Embrace Your Career

Founded over 40 years ago with a mission to provide the highest quality and full spectrum of medical, surgical, and esthetic skin care services to each and every one of its patients, Anne Arundel Dermatology has assembled the finest group of dermatologists in the Mid-Atlantic.

We're thriving, growing, and always looking to add talented individuals to our team.

Discover what joining our team can do for you.

We Provide a Full Range of the Most Advanced Dermatology Care & Treatment

- The highest level of care and compassion for patients of all ages, from infants to the elderly, across any skin, nail, or hair condition that arises.
- Clinical cosmetic services performed and supervised by board-certified dermatologists.
- Mohs Micrographic Surgery in all locations, led by our team of skin cancer specialists who possess the skills of plastic surgeons and pathologists combined.
- Our highly-trained, board-certified dermatopathologists work closely with our clinicians to provide prompt, expert interpretation and analysis of a wide range of conditions.

Join a Superior Dermatology Practice

Anne Arundel Dermatology is a physician-owned and managed practice that makes dermatology more rewarding at every stage of your career. Whether you are just starting out, established and looking for growth opportunities, or starting to plan an exit strategy, we've got your back.

Since our founding, our partners have recognized that growth gives us freedom. The practice did not want to become a large complex bureaucratic organization, but we also knew that scaling our practice would afford greater efficiencies, state-of-the-art technology, and the best available management and support.

Above all, our consistent growth has enabled our dermatologists to dedicate themselves to patient care and to better exceed patients' expectations.

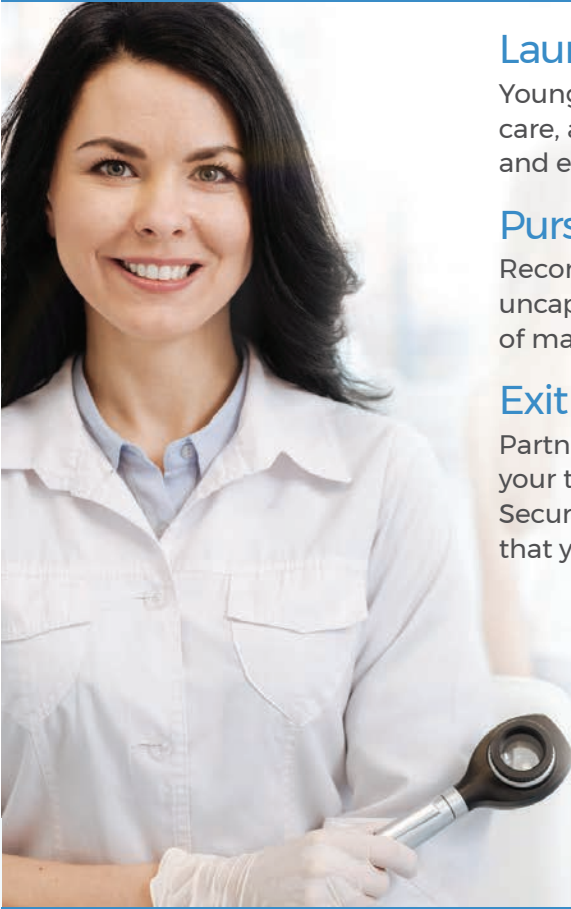

Increase Patient Satisfaction

"Working with Anne Arundel Dermatology has been a very positive experience. I have more opportunities to share clinical experience and increase patient satisfaction, the ability to maintain and effectively supervise my clinic, and more time to spend with patients." – Sammy Kang, M.D.

We Will Make Dermatology More Rewarding at Every Stage of Your Career

Launch Your Career

Young doctors join Anne Arundel Dermatology to focus on patient care, access an unparalleled peer group for growth and collaboration, and enjoy the latest technologies in a full-service dermatology practice.

Pursue Growth Without Hassles

Recommit yourself to patient care, assure your financial future with uncapped earning potential, and unshackle yourself from the headaches of managing a practice in today's healthcare environment.

Exit Strategy

Partner with Anne Arundel Dermatology to plan and control your transition, whether it's just a year or a whole decade away. Secure your financial future and discover the comfort of knowing that your patients will always be in good hands.

Gain Flexibility

"The number one reason I love working with at Anne Arundel Dermatology is the flexibility I have. I can make my own schedule that works for my family and my patients. In addition, I don't have to worry about credentialing, human resources, billing, etc. My main focus can be on the patients and providing the best medical care possible." - Lisa Anderson, M.D.

Zero Hassles Means Better Business & Better Care

While practice management has become exponentially more complex and costly, we have the leadership team and administrative support in place to take care of everything so that our physicians can focus on their patients.

Our back-office team keeps things running efficiently, from centralized billing and management functions to training and HR support.

Our strengths include:

- HIPAA, Meaningful Use, & PQRS/MIPS Compliance
- A Cloud-Based EMR Built by Dermatologists
- State-of-the-Art Facilities & Equipment
- Negotiating Strength: Insurance, Vendors, Real Estate
- Integrated Patient Communication & Marketing Support

Leverage Our Financial Resources

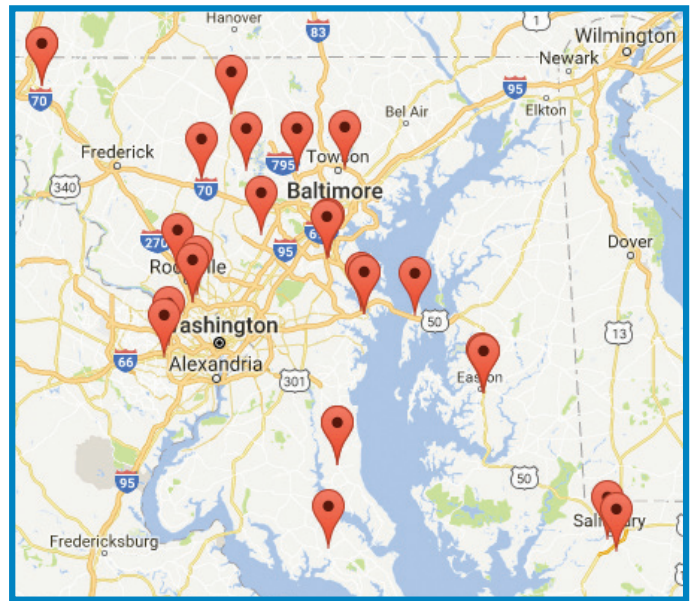

"Before partnering with another practice, my concern was that it would change how our office ran. However, this has not been the case; the experience has been very positive. Anne Arundel Dermatology provides us with financial resources to grow the practice and the ability to leverage economies of scale with insurance companies." - Allan Harrington, M.D.

With locations convenient to the scenic Chesapeake Bay and the Great Smoky Mountains, the cultural excitement of metropolitan cities, and diverse historic and rural communities, Anne Arundel Dermatology provides the ability to live whatever type of life you choose.

Our practices give you access to:

- Annapolis, MD; Baltimore, MD; Knoxville, TN; Northern VA; and Washington, DC.
- An endless number of golf courses; parks and lakes; and hiking, biking, skiing, and water sport sites.
- Higher education at the Universities of Maryland and Tennessee; Johns Hopkins; Mount St. Mary's; and the U.S. Naval Academy.
- Magnet and top-ranked public and private schools.
